TECHNICAL SKILLS

PROFILE HIGHLIGHTS

- 4+ Years Experience
- 7 Delivered Projects
- Web & Mobile Expert

PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with **4+ years of experience** designing and building scalable web and mobile applications using Angular, Node.js, NestJS, and Flutter. Proven track record of delivering end-to-end solutions — from responsive front-end interfaces to robust, high-performance backend systems — across healthcare, e-commerce, education, and business management domains.

WORK EXPERIENCE

Software Developer

4 Years

Adit Adv Tech Pvt Ltd • Ahmedabad

- Architected and developed full-stack web applications using Angular and Node.js/NestJS.
- Built cross-platform mobile apps with Flutter for education and business clients.
- Designed efficient database schemas across MongoDB, PostgreSQL, Couchbase, and Elasticsearch.
- Collaborated across the full project lifecycle, from requirements to deployment.
